“One of the biggest challenges for any director – particularly those in the NFP space with limited resources – is to stay up-to-date with the changing regulatory landscape. AICD membership gives me access to events and resources which cover the latest governance best practice for my commercial and NFP roles.”

Louise McElvogue GAICD  
Director, WhiteHawk,  
Sydney Living Museums, APA

“As both a small business owner and emerging director, ongoing education and professional development is critical to maintaining a deep understanding of governance issues faced by directors. AICD’s membership, courses and events support and enhance my performance, both inside and outside the boardroom.”
