Company Directors Course

Setting your director journey on the right path

Our *Company Directors Course* is a comprehensive and credible learning program for directors, and is considered the benchmark qualification for directors in Australia.

We are offering one full scholarship to a high calibre applicant from Regional Queensland to undertake the *Company Directors Course correspondence* to be enrolled prior to 1 December 2018.

The scholarship will cover attendance and materials only.

The correspondence format is ideal for those not available to attend face-to-face sessions to complete in their own time within a six month period. Participants have the opportunity to study at their own pace, when it suits them.

We recognise the importance of supporting regional directors and members with a focus on delivering events and education courses locally, and understanding local needs and issues.
